

Xander: Actually, that's my fault, and it isn't a prank.

Harper: Who are you?!

Smith: He's a friend. This is his ship.

**Harper's eyes widen. Smith turns to Xander.**

Smith: Why would you do this, though? Why would you take her from her time?

Xander: It was the only way to get you out of here. I had to bring her to your future to convince her to change your past. This was the last point her timeline was stable.
